### **CHARGE: (1)**

The said Sri K.G.J.Naidu, Deputy Executive Engineer, Panchayat Raj, Ponduru of Srikakulam District has misused his official position and committed irregularities for his personal gain and executed the FDR work on AB Road to Neradi on Seethamahadevi tank departmentally contrary to the orders of the district Collector Srikakulam.

### **BASIS:-**

As per the Vigilance Report No 95 (975.V&E/E2/07) DT: 30.6.2008 of General Administration (V&E) Department, in spite of the specific instructions from the Collector, Srikakulam District to entrust the FDR works to the user groups, the work of Seethamahadevi tank was taken up departmentally and the District Administration was misled while taking ratification orders stating that the local people did not show interest to execute the work.

Hence the Charge

### **CHARGE: (2)**

The said Sri K.G.J.Naidu, Deputy Executive Engineer, Panchayat Raj, Ponduru of Srikakulam District has misused his official position and did not check measured in the execution of works "C.C. road work of Garundi Peda veedi" and construction of C.C drain in SC Kothaveedi of Garundi(v)".

### **BASIS:-**

As per the Vigilance Report No 95 (975.V&E/E2/07) DT: 30.6.2008 of General Administration (V&E) Department, the works "C.C. road work of Garundi Peda veedi" and construction of C.C drain in SC Kothaveedi of Garundi (v)" were completed, but the bills were not preferred and paid to the contractors. The measurements were recorded by the concerned Assistant Engineer. The bills could not be prepared for want of the check measurement by the concerned Deputy Executive Engineer reportedly due to strike of PR Engineers at the relevant period. However, certain items of work like concrete bed, concrete under plastering etc., are not amenable for check measurement by Deputy Executive Engineer, as they are covered by subsequent work layers. These items ought to have been check measured before executing subsequent work. This is a procedural lapse of the Deputy Executive Engineer concerned.

Hence the Charge.

(P.T.O)

But, the deposits were not released for the works executed 2 to 3 years back, even the application for the release of deposits given by the petitioner. This is highly irregular and it appears to be a deliberate delay by the department.

Hence the Charge
